

BUILD YOUR PORTFOLIO

Ms. Nijoo Dubey, Mr. Athul Dinesh | 27th August 2022 | Online

Target audience: Design and Art Graduates and Final Year Students | **Intake:** Max 20

About workshop

A portfolio is a body of work that represents your work as a designer or an Artist. A portfolio should be used to showcase your best work that you can share to potential employers, clients or anyone who is interested.

This will decide whether you land up in a good job or will get good clients.

Objective

- To help students build their best portfolio for various needs (job or building clientele).
- How to curate the projects in the best possible way to create a good impression.
