## ANCHOR FACULTY

Vishnupriya Narayanan is textile designer and alumnus of the National Institute of Design. She currently engages with teaching both Bachelors and Masters students in introducing a range of topics that involve, Surface development, material exploration, and sustainable practices. She is constantly reinventing, teaching learning methods, experimenting with many means to the end of exploring any subject. Her particular fondness of working with children has allowed to

travel to the many states of the northeast, to understand how children learn how to weave. She is also someone who has a special interest in conducting workshops, a format that allows her the opportunity to meet new learners and at the same time explore the new ways of introducing knowledge making it fun and exciting. She is interested in the ways in which making-enhanced-learning; and enjoys a hands-on approach to design. She continues to explore the field of design as a practitioner, researcher and design educator.
