**SUMMER  
WORKSHOP  
2025**

# Clay Modeling to Create Character

May 19 – 23, 2025 **GANDHINAGAR CAMPUS**  
Anchor Faculty : Shekhar Bhattacharjee

**Limited Seats Available!**

13 years and above

Minimum Seats: 12

Maximum Seats: 25

## What is this Workshop about?

The workshop focuses on story, character, and clay modeling. Participants will select short folk stories and create characters based on them. Step by step, these characters will be brought to life using synthetic clay and other materials. The workshop will be conducted through fun exercises, presentations, and lectures.

Three aspects are covered: clay modeling, drawing, and character making. Clay modeling, an ancient medium, teaches three-dimensional composition and communication, while enhancing 3D modeling skills. Drawing helps with visual expression, and character making fosters creativity and imagination, enriching artistic abilities. This workshop is invaluable for art and design learning

## What will you learn?

1. Master clay modeling and 3D composition.
2. Enhance drawing and visual communication.
3. Boost creativity through character creation.
4. Transform 2D concepts into 3D models.

## Who should attend?

This workshop is open to anyone with an interest in character making and clay modeling
